

## WHO ARE WE?

DataBridge, founded in 2024 by Mr. Mohammed AlShawwa, Mr. Khaled Al Mubarak, Mr. Fahad Al Sharhan, Mr. Victor Barcot, and Mr. Abdul Rahman Zarzar, is more than just a company—it's a vision realized. Each founder brings extensive expertise from diverse fields such as IT, computer software design, consulting, investment banking, real estate, and hospitality. This collective experience enables DataBridge to understand and cater to the needs across various sectors. We offer innovative solutions for HRM, inventory management, generalized IT services, and proudly present our fully UAE-made YENA Kiosk.

## OUR PRODUCTS

**01 Automation Software Solutions**  
Developing and implementing software for process automation, including workflow automation and task management systems

**02 Data Analytics and Business Intelligence Tools**  
Software for data analysis, reporting, and business intelligence to support data-driven decision-making
